

Died.

Joseph Albert, the little three-year-old son of Mr. and Mrs. Joseph A. McCulloch, died last Sunday evening, April 16, 1905, at a few minutes after 7 o'clock, from laryngitis, after a week's illness, notwithstanding all that human hands could do to save him, and now his little chair is vacant and anguish fills the hearts of all to whom his little, loving face and form had become familiar.

The funeral was held at 2 o'clock Tuesday afternoon from the Congregational church, and the remains were followed to their last resting place in the Cooperstown cemetery by a goodly number of relatives and sympathetic friends.

There is nothing harder to bear than the loss of our little ones and the bereaved family has the heartfelt sympathy of everyone in the community in their deep affliction, but only time and faith in the glorious reunion beyond this life can still the tumult of grief that rages in the hearts of those bereft of one so innocent and dear.
