

Death of Mrs. Soma.

Fargo Call: The death of Mrs. Soma, a sister of Officer Berg's wife, occurred at St. John's hospital from a complication of diseases. She had been at the hospital for four weeks and undergone two operations for the removal of a tumor, and was to be operated on again, but was unable to bear the shock, passing away at two o'clock p. m. Saturday.

Much sympathy will go out to the bereaved husband and other relatives from their friends. The lady was the wife of Jorgen Soma, a prominent farmer at Cooperstown and had been married but a year and a half, being a quite healthy young lady and a general favorite among her friends.
