

P. C. Paulson and Miss Nora Black were united in marriage in Minneapolis Wednesday of last week. Paul said he was going to spend the week at Fargo taking in the big fair which seems to have been a little off the truth but we presume under the circumstances he will have to be excused this time. Mr. Paulson and his bride are too well known in Cooperstown and Griggs county to need any introduction from us. The groom is one of the business men of the city, operating one of our tonsorial parlors while his bride is the oldest daughter of Mr. and Mrs. S. W. Black. The Courier wishes them much happiness and prosperity.
