

Dr. M. D. Westley and Miss Eva Hutchinson, of LaMoure, are to be united in marriage at the home of the bride's parents at LaMoure, today, February 23, 1911, at 12:30 in the afternoon. Rev. J. Chas. Evans, pastor of the Congregational church of this city performed the ceremony which linked these young people together for life. The newly wedded couple have departed for Los Angeles, California, where they will spend their honeymoon. Dr. Westley is one of our city's popular professional men and is a success in his profession. He is a splendid gentleman and has been identified with every good movement for the town's benefit ever since he located here many years ago. The bride was formerly one of our popular school teachers and while here made many friends. She is a genial and accomplished young lady. The many friends of the newly married couple join with the Courier in extending most hearty congratulations.
