

—The marriage of Joseph N. Nelson to Miss Bessie L. Simpson took place at Fargo, Tuesday, July 10, 1906, announcements of which were received by Cooperstown relatives and friends later in the week. Both bride and groom are well known in Cooperstown. Joe was for years employed on this paper and his services were such as to cause us to always take a deep interest in his welfare and wish him the best of life's store. The bride is a sister of Manager Frank Simpson of the Cooperstown electric lighting plant and Glen Simpson of Washburn township, and spent the summer of 1904 at Cooperstown, returning to her home in Michigan in the fall. The happy young people are at home to friends at Fargo where Joe is employed in the printery of Walker Bros. & Hardy. The Sentinel offers congratulations and best wishes.
