

A meeting was held at the fire hall last Friday evening for the purpose of organizing an automobile club. The meeting was called to order and Chester Piatt elected chairman and Theo. A. Marquardt, secretary. It was moved and carried that a club be organized to be called the Griggs County Automobile Club and that the officers consist of a president, vice-president, secretary and treasurer. The motion prevailed and R. C. Cooper was then elected president; J. L. Houghton, vice-president; Theo. A. Marquardt, secretary and Chester A. Piatt, treasurer. The club is open to any automobile owner in the county and any and all will be welcome to join. A committee on by-laws and constitution was appointed and the meeting adjourned for one week in order to give this committee time to report.
