

The city council met in regular session last Monday evening. The usual bills were allowed. The council also voted to purchase a new cistern from the Twin City Silo and Specialty Co., to be put in at the corner of Killeran's barn to replace the present cistern which is rotting out. Three additional street lights were also ordered in. Two on the street running north toward Tom Swingen's residence and one on the corner of A. Thime's residence on Rollin avenue.
