

SCHOOL NOTES.

First grade—Arlene Williams was the only perfect speller in the A class for the entire week. We have had about seventeen absent during the past week on account of the measles, so that the regular work has been greatly interfered with.

Third grade—Aveline McDermott spelled down the school last week.

Bernard Houghton and David Hartman have been promoted to the fourth grade.

Sixth grade—Alga Lien and Arvel Olson entered the sixth grade last Monday.

The seventh grade has made a product map of South America.

The seventh and eighth grades are going to have a spelling contest next Friday in the eighth grade room on historical names of the French and Indian war. The parents are invited to attend the contest.

High School--Mr. Ross visited the school last week.

Cora and Milton Houghton have been absent the entire week on account of measles. Ruth Blackwell is substituting in the second grade Miss Belden having been called home on account of the illness of her sister. The sewing class has been learning different plain stitches, as basting, running backstitching and overcasting. They are now practicing in hemming and overhanding and have fancy bags as the model from which they are working.

A literary program was given by the Seniors and Sophomores last Friday. We were glad to see so many people take interest in our work along this line.

The next program will be given by the Juniors and Freshmen Wednesday before Thanksgiving.
