

## Farmers' Institute.

The Rural Improvement Institute of Griggs county will begin its series of meetings in the courthouse in Cooperstown, on Friday, Dec. 17th, '09 at 1:30 p. m. Bring in some of your garden and field produce and a good exhibit of farm produce may be the result which always interests the live business farmer. Schools are invited to send representatives. A good social time is looked for.

O. B. WESTLEY, Secy.
