

Deputy Grand Master Frazier attended a special meeting of Griggs Lodge No. 13, A. O. U. W. last Friday evening to see what action the lodge would take in regard to keeping up the lodge here or transferring the membership to Hannaford Lodge No. 36. There were very few members present at the meeting, in fact it was only after a systematic chase around town that sufficient members could be secured to form a quorum, most of the members being so indifferent about their insurance. It was voted to let the lodge die and surrender the charter and old Griggs lodge which has done such good work in the past is a relic of bygone greatness. It was also voted to transfer the membership of those who wish to keep up the insurance to Hannaford lodge. It seems a pity to let this lodge die but no one would hold office and look after the books and it simply was a case of necessity.
