

Serious Accident.

On account of the tongue of their vehicle breaking while coming down a hill Monday, Mr. and Mrs. John Hogenson and daughter Ida were the victims of a very painful and serious accident. The horses ran away, throwing Mrs. Hogenson and Miss Ida out very forcibly and smashing Miss Ida's wrist very badly. Mrs. Hogenson's collar bone and three ribs were broken and she sustained very serious internal injuries. Mr. Hogenson escaped with a few slight bruises. Dr. Westley is attending the sufferers.
