

OLD SETTLERS NOTICE.

Pursuant to the action taken at the last annual meeting, I have appointed Oscar D. Purinton, Secretary of the Association, and all the books and accounts are in his hands. All members will call upon him at his office to pay dues or to get any information desired. And any persons who have been in the country twenty years or more, and are not members, call in and join the Association and be ready for the great celebration on June 30, 1909.

Remember that all members with their wives and minor children are admitted to celebration free.

S. B. LANGFORD,

President
