

S. Sansburn left last Saturday for his homestead near Glendive, Mont. His household furniture and stock were loaded into a car and Mr. Sansburn went with it. He expects to be back here in about thirty days or may be sooner and will remain until fall. Mrs. Sansburn and the children will leave right after the closing days of school. The Sansburn family have been residents of Cooperstown for many years, being pioneer residents of the town. They have many friends who will regret their departure but who send after them all kinds of good wishes for their future success.
