E. W. BLACKWELL

For director 1 year to fill vacancy:

P. A. MELGARD

## School Officers Meeting

Superintendent Kampen announces a meeting of the school officers of Griggs county to be held in the courthouse at Cooperstown Friday, June 25. There will be a forenoon and afternoon session, the former beginning not later than 10:30. Those who attended that meeting will remember the remarkably interesting lectures of Supt. Farr, of Chicago. This year Supt. Geo. Conn, of Woodstock, Ill., will give two addresses which will no doubt prove as interesting as did those of Supt. Farr last year. He will give a general talk to school officers and others in the forenoon and in the afternoon an illustrated lecture with lantern on the "Reorganization of the country schools." In addition to Supt. Conn's addresses some well known educator will represent the state department and local talent will be heard from. No school officer can afford to miss this meeting. Come and bring your friends. There will be something of interest to all.
