

A successful meeting of the Boy Scouts was held in the Fire Hall on Monday afternoon, January 5, 1913. About 18 boys were present and the discussions and the officials of corps concerning work for the future. The boys showed much interest in the discussions and the officials of the corps are pleased at the apparent enthusiasm which is being shown at the present and hope much for the future. The skating rink is to be put in order at once and the public will be able to enjoy good skating for the remainder of the winter. The following are the prices set for the use of the rink: All persons over 15 years of age will be charged 10c; boys and girls over 12 years and under 15 years of age will be charged 5c; children under 12 years of age "free," but must leave the rink at "curfew." Everyone will be charged for skating on Friday afternoons and evenings and on national holiday evenings. Positively no skating allowed on Sundays.
