

# SUPT. HOOVER ENDORSED

—○—  
Board of Education Held Meeting  
Last Friday Evening and Elect-  
ed Corps of Teachers..

—○—  
The board of education met Friday evening and among the business of importance to come before the board was the election of teachers for the coming year. Prof. Hoover and Miss Brackney, Principal, were re-elected as well as all the grade teachers. Miss Kline, who has been part of the high school corps, handed in her resignation some time ago and her department has not been filled. The position of music and drawing has not been acted upon also. A new teacher has been added to the force for next year, that of manuel training. For this position the board has selected Mr. Reuben M. Stee, who this spring graduates from the force of mechanical engineers of the University of North Dakota. The Courier believes that the present set of teachers have made good records and their work is satisfactory to the patrons of the school. We are glad to see that the board also endorses their work.
