

## VACATION DAYS ARE NEARLY OVER.

Our city school will open on Monday, September 9th. It is very desirable that all pupils who possibly can, be on hand at the opening, and get full benefit of the school year. The Board will spare no effort to make the school better than it has ever been, and if patrons and pupils will co-operate, success is assured.

The primary department will be in the same building as last year. The Board respectfully requests that all persons having children whom they desire to send any part of the year, will enter them at the opening of school. If your child is coming school age during the year, and you want it to go then, start him, or her on September 9th.

OSCAR D. PURINTON,

Clerk Bd. of Education.

By order of the Board.
