

OUR PUBLIC SCHOOLS.

The Regular Fall Term Will Open
September 11.

Two weeks from next Monday another term of school will commence with an increased faculty. Among the additions added to the teaching force for the coming term is that of manual training and athletics. A teacher especially equipped for this department has been secured and it is one of the best and most necessary departments in our school work. The boys get more real good out of the manual training work than in almost any other branch and when they get through with it will be well equipped to go out and earn a living for themselves. Cooperstown possesses one of the best high schools in the state and has a corps of first-class teachers. If any of our farmers have children who have outgrown the country school Cooperstown offers as good a school for them to come to as can be found in the state, and in addition to that one of the best towns in the country for parents to send their children to live. The following is the school faculty for the coming year.

Superintendent, W. J. Hoover.

Principal, Alberta Brackney.

Mayme Murchie.

Vera Patterson.

Music and Drawing, Catherine Clements.

Manual Training and Athletics, A. C. Blair.

Eighth Grade, Stella Wattles.

Sixth and Seventh Grades, Miriam Gibbon.

Fifth Grade, Della Weed.

Fourth Grade, Nora Petterson.

Second and Third Grades, Mabel Ayles.

First Grade, Marion Sullivan.

Primary, Irene Hazelton.

School will begin on Monday, September 11. The primary will be located in the room below the Odd Fellows hall, just west of the Jimeson & Olson store.
