

LOVELL FARMERS' CLUB

—o—
Another Interesting Meeting Held
by the Enterprising Boosters'
Club of Lovell.

—o—
The second meeting of the Lovell Farmers' Club was held last Saturday night in the Sansburn schoolhouse north of town with a good attendance of the farmers of this locality present. The annual election of officers was held, which resulted as follows:

President, W. H. Sansburn.

First Vice-President, John Detwiler.

Second Vice-President, G. H. Lawrence.

Third Vice-President, Wm. Robinson.

Secretary, A. M. Detwiler.

Treasurer, David Sansburn.

Executive Committee, Fred Detwiler, Albert Campbell, Wm. LaPlant, A. M. Detwiler and W. H. Sansburn.

Many questions were brought out for discussion. The question was asked if anyone present had anything to sell such as horses, cows, feed, etc., and a number said that they had. Anyone wishing to buy any farm product can get the necessary information by inquiring of A. M. Detwiler, the secretary, Coopers-town, N. D. This feature of the club in itself is well worth the organization. It provides a local exchange whereby the different members can place their produce on sale and work together to find purchasers. It is just as good and better than a commercial club and if any other farmer in the county wants to buy a horse, cow, seed or anything he wants to use on his farm by inquiring of the secretary of this club he can find out if he can buy it in this particular locality. Many ladies attended the meeting last Saturday night, which added much to the sociability of the occasion. The next meeting will be held on the 3rd day of April at 7:30 p. m., and all farmers are invited to be present and spend a little time together for their own mutual advantage.
