

Last Friday evening a crowd of young folks met at the home of A. I. Monson, and organized a society which they called "The Merry Makers." C. B. Olson was elected president; Hilda Johnson, vice pres.; Lily Johnson, secretary; Myrtle Monson, sergeant-at-arms; A. J. Knutson, treasurer. After the business meeting was over the young folks got busy playing games. They continued until supper was served. After supper the party broke up all saying the time had been well spent. The Merry Makers will hold their next meeting at John Johnson's.
