

The new moving picture theatre, The Gem, was formally opened up for business last Saturday evening and standing room was at a premium at both performances. Mr. Watson, the proprietor, has fixed up a very comfortable place over the drug store. A new piano has been purchased, folding chairs are used for seats and the building is well lighted. A fire escape has been placed at the rear of the building and the floor of the building has been strengthened below by posts being placed for braces and everything has been done to ensure the safety and comfort of the patrons.
