

## **JESSIE MAN DIES.**

### **Did Not Respond to Treatment at Fargo Keeley Institute and Passed Away Thursday.**

A. G. Erickson, 60 years of age, died yesterday at the Keeley Institute in Fargo, where he had been taken for treatment from his home in Jessie, N. D. He failed to respond to the treatment given him at the institute.

He was brought to Fargo some days ago and was taken to the institute. The usual treatment given to men for his trouble was administered, but the treatment had no effect, and Mr. Erickson died late Thursday afternoon. The body was at once removed to the Gaard undertaking establishment where it will be prepared for burial.

The funeral will probably be held at Jessie on Saturday and the body will be shipped to that city this afternoon. The deceased is survived by a widow and seven children, who live in the vicinity of Cooperstown.—Fargo News of Nov. 12th.
