

The little 8-year-old son of Mr. and Mrs. R. L. Jones of Helena township died just before noon last Saturday. The little fellow was taken sick with measles during the winter and he had never recovered from the effects of this disease. Other complications set in and he passed away as stated. He was the oldest child of this stricken family and the loss to the father and mother is a heavy one. They certainly have the sincere sympathy of their many friends in this city and throughout the county. The funeral was held at the M. E. church Monday afternoon, Rev. J. G. Dingle conducting the services. Interment was made in the Cooperstown cemetery.
