

Willie Moffatt Dead.

William B. Moffatt, youngest son of Mrs. Alex Moffatt, of this city, passed away at noon last Saturday in the hospital at Valley City where he had been for over nine weeks. Willie had undergone several operations the past few months, the last being a bad case of telescoping of the bowels. He made a valliant fight for life but all to no purpose. Two or three weeks ago he was thought to be out of danger and was up and dressed and expected to be home in a few days after but he took a decided change for the worse and has been gradually going down until he died. His end was a peaceful one and he died bravely in the faith that all was well with his soul. Willie was a good boy and he has a lot of friends who sincerely regret his passing away. The blow is a hard one for the mother and brothers and sisters who mourn the loss of the dear one who has gone to his final reward. The funeral was held in the Congregational church in this city last Monday afternoon, Rev. J. C. Evans, pastor of the church, preaching a very appropriate sermon. The remains were laid to rest in the Cooperstown cemetery beside the body of his father who died six years ago on the same day of the month, October 1st, on which Willie died. The Courier joins with a large circle of friends of the family in extending heartfelt sympathy in this hour of deep affliction.
