

J. M. Snyder died at his home on the Steele county farm last Sunday morning after quite a long illness. He was fifty-nine years old and leaves in addition to his widow, nine boys and two girls, all of whom are living. The deceased had been sick all winter from a general complication and some three or four weeks ago pleurisy set in and an operation had to be performed. Since then he has been steadily growing weaker and passed away as stated. The funeral occurred at the farm home on Tuesday afternoon, a service being held at the house and the remains being brought to the cemetery at this place where another short service was held before they were consigned to their last resting place. Rev. Oscar D. Purinton was the officiating clergyman.
