

I. I. Dobbedal of Guthrie, Minn., died from heart failure at St. Luke's hospital, St. Paul, last Friday. He had been ailing for some time and the end came not untirely unexpected, his wife being with him. Mr. Dobbedal was a homesteader in Bartley township in earlier days, moving to Minnesota in 1902, where he leaves three girls and a boy. They have the heartfelt sympathy of their many Griggs county friends.
