

LeRoy, the little son of Mr. and Mrs. A. L. Knudson died last Saturday evening, September 16, at seven o'clock, from a short illness of infantile paralysis. The little fellow was only sick a day or two and his passing away is indeed a hardblow to the bereaved parents, who have the sincere sympathy of their neighbors and friends. On account of the home being quarantined the funeral, which was held Monday afternoon, necessarily had to be of a very private nature. Rev. N. J. Vikingstad was the officiating clergyman, the remains of the little one being laid to rest in the Cooperstown cemetery.
