

## CHILD KILLED BY TRAIN.

Ontario, April 5.—Little Arta May Lewis, 6 years of age, was struck and killed by a Southern Pacific train late yesterday afternoon. She was the daughter of Mr. and Mrs. W. A. Lewis, living on South Central avenue. The child was returning from school at the time. Mrs. Florence Lewis and Bertha Hogle, from a rig, observed Artie crossing the railroad tracks, apparently in safety, just before the train swept past. As they reached the crossing they observed the child lying on the ground.

The women removed the little victim to their home, where a surgeon was called. The skull was so badly injured that the child died within an hour. It is believed that Arta stood so close to the track as the train passed that the car step struck her head.—Los Angeles Express.

The above clipping tells of the terrible calamity that has befallen the family of our former townspeople, Mr and Mrs. Walter Lewis. The many friends of these afflicted people will deeply sympathize with them in their great loss.
