

Mrs. Peter Lima died at 3:15 last Sunday afternoon after a sickness lasting about six days. The cause of death was pleuro meningitis. The deceased was married to Mr. Lima about two years ago and from that union there has been born and is now left to mourn the loss of a mother a little girl, who is now about nine months old. A service was held in the Lutheran church Tuesday afternoon, Rev. P. A. Thoreson, of Hanaford, conducting the services. The remains were taken to Hunter, the deceased former home, and were interred in the cemetery at that place. The Courier desires to extend its sincere sympathy to the stricken husband and motherless babe.
