

Mrs. Glaspell received word last Friday announcing the death of her son-in-law, Leonard Martin, whose demise took place on Sunday, March 5, 1911, from acute appendicitis. Cooperstown friends will remember Mr. Martin who was one of the early citizens of this place. He leaves a wife and two children, a son nineteen years old and a daughter seventeen. They are living at DeMoines, Washington. The Courier regrets to hear of the death of our old friend.
