

Young Life Ended.

Miss Minnie Greenland, who had been a sufferer from consumption for about four years, passed to the great beyond last Sunday afternoon at 2:30. Her age at death was 27 years, 3 months and 13 days. She was born in Fillmore County, Minnesota, and came here with her parents in 1881.

The deceased is survived by her parents, Mr. and Mrs. F. Greenland, and three brothers and two sisters, Oscar, Magnus, Clara, Ingvold and Nora. She was a young woman who numbered as her friends all who knew her well, and her early death will be mourned by the whole community.

The funeral was held yesterday afternoon from the Lutheran church and burial was made in the Coopers-town cemetery, and was attended by a large concourse of sorrowing friends, who extend the deepest sympathy to the bereaved family.
