

---

—Mr. and Mrs. E. H. Badger and little daughter departed yesterday for *Wauwatosa, Wis.*, where they will in future reside. Mr. Badger will engage in business at that place in partnership with his brother. The people of Hope will very much regret the departure of this worthy couple, and they will be sadly missed in social circles. Mr. Badger has been an earnest worker in the Congregational church and Sunday school, and to show their appreciation a number of the church members and supporters met at the residence of Mr. Badger and wife and presented them with a handsome token, on behalf of the church and school. The PIONEER with the balance will wish them abundant prosperity in their new home.
