

—The livery stable of Bugbee & Haltiner at Sherbrooke, was burned to the ground on Sunday afternoon last, between the hours of three and four o'clock. The fire is supposed to have originated from a defective flue in the office. Five horses and four sets of harness were burned. The balance of the stock was removed, as well as some buggies, harness, etc. The loss of the property is estimated at about \$1,800, and will fall upon Bugbee & Haltiner, as the transfer of the property to A. T. Drakeley had not yet been completed. They will rebuild the barn at once.
