Cassey Foster commenced cutting wheat to-day. Others will commence cutting wheat next week.

Our church affairs are prospering finely; many new members, and still the good work goes on.

The wheat crop in this part of the county will be a fair average.

Laor King is plowing up his flax ground. The boys feel good over it, as work these hot days is what does us good.

C. H. Williams is rushing his haying so as to be ready to go into his No. 1 hard next week.

Last week the sight of a happy married pair graced our station. We wish them much success through life.
