

Closing Exercises.

Riverside School No. 1 closed the summer term on Saturday last.

The teacher, Miss Alta Gilmore, gave an Exhibition in the afternoon, which consisted of reading, declamations, singing and kindergarten work. After the close of the exercises a delicate and elaborate lunch was served by the parents of the pupils, assisted by the teacher.

Although the house was not crowded, enough were present to make it an enjoyable affair, and Miss G. showed herself a teacher who is ably adapted to cope with the urchins of the 19th century; she will commence school August 1st in Willow Lake district No. 1.
