

—One of the parties of whom we spoke last week as being seen walking on the railroad track on Sunday, a week ago, and who went as far as Sherbrooke on that day, hiring to Wm Elliott, was arrested on suspicion, as being the guilty party in the murder of Joseph Shaw. The preliminary examination occurred Wednesday afternoon in this place, before Justice Wallace, States Attorney Murray prosecuting, and Atty. C. J. Paul defending. After a thorough investigation, in which nothing went to prove the guilt of the man, upon motion of the States Attorney the prisoner was discharged. It is difficult to conjecture what will be the next move in the matter, but the guilty one should be found, if possible.
