—District court met at Sherbrooke on Tuesday afternoon, and after disposing of all the cases without trial, dismissed the jury and adjourned on the same evening. We understand that the case of State of North Dakota vs. H. H. Wasson was continued to the next term of court. We also understand that the cases of R. F. Pickert vs. Dan'l Nelson and Andrew Thumm were thrown out of court by the judge Mr. Pickert failing to appear to prosecute, the costs to be paid by Mr. Pickert. Mr. Pickert however, appeared later before the judge, and he was granted thirty days in which to pay costs and again institute proceedings. Mrs. Clara Smith was granted a decree of absolute divorce from her husband, Lewis Smith, by the judge. This is as far as we have learned of the proceedings of the court.
