

---

—Bert Warner, who was one of the players in the Page nine in the game of ball at Page last monday afternoon between our boys and the Pageites, when running to catch a fly ball, collided with another player, with the result of dislocating the knee cap of his left leg. He came up the same evening for medical help, and Dr. Philip attended the wound. It pained him very much the first night, but is now getting along as well as could be expected, but it is somewhat doubtful if he ever again gains the full use of the limb.
