

OBITUARY.

Died, on Saturday, June 7th, Mr. George Burgess aged 75 years. The deceased had for a long time suffered from cancer in the face, and knew for months that his case was hopeless; nevertheless for those visiting him, from time to time, he ever had a cheerful word, and all his sufferings were borne with patience and fortitude. In conversing with him on the great question of life and death, one instinctively felt that life is not all, and that for the truly courageous soul Death will have no terrors. With a courage born of "the hope of immortality" he faced the "dread unknown" with a calmness and trust in God that was sublime. Viewing death as he viewed it one seemed to realize that—

There is no death—the thing that we call death
Is but another, sadder name for life,

Which is itself an insufficient name.

Faint recognition of that unknown Life—

That Power whose shadow is the Universe.

The funeral was conducted from the M. E. church last Sunday afternoon, at 3 o'clock, by Rev. S. B. Mahaney, assisted by Revs. Thurston and Seeley. A very large concourse of friends followed the remains to their last resting place, in Hope cemetery.
