

Offer of Scholarship.

The Board of County Commissioners of Steele County have been authorized and requested to appoint a student to the North Dakota Agricultural College at Fargo for the academic year beginning Sept. 27th, 1892. The appointee may be of either sex and will be entitled to enter any course of study offered by the institution. The scholarship entitles its holders to free tuition and free room-rent during the year.

The requirements for admission are that the student shall be over the age of 15 years, and shall satisfy the faculty of the college, either by examination or by a certificate, of their proficiency in English grammar, the writing and spelling of the English language, United States history, geography, arithmetic, and algebra through simple equations.

In the event of more than one application, the decision of appointment will be made upon the results of a competitive examination to be conducted by the County Superintendent.

Applications will be received at this office up to September 20th, 1892.

L. C. GOPLERUD,
County Auditor.
