

## Dover Locals.

A number of people in Dover and vicinity have been afflicted with the grippe, none seriously but all more or less disabled for the time being.

U. W. Lanlz has recovered so far as to be about the farm again. He spent an afternoon at D. B. Berlins this week.

We are glad to report grandma Taylor in her usual health. She has been poorly of late.

John Altringer spent a week in visiting George Darkenwald and other friends recently.

Miss Lottie Jarvis, Eugene Murch and other of the young people contemplate a fishing to the lake in the near future.
