

DOVER.

The entertainment given in the schoolhouse last Saturday evening was well attended, was a success financially and all seemed pleased with the programme.

Dover and vicinity was well represented at the memorial services held in Wimbledon last Sunday evening.

Mrs. Wm. Sandy spent last Sunday at B. E. Berlin's.

Miss Anna Berger of Fargo is making her home with Mrs. C. M. Kribbs at present, and will remain during the fall and winter.

D. Berlin and C. M. Kribbs were engaged in what seemed an unusually warm argument last Monday evening until near midnight. The result was that one of B.'s horses was brought out hitched to the back of K.'s buggy, and now each one thinks he has a little the better of the bargain.

Mrs. D. Berlin spent a day in Piercetown recently, visiting Mrs. Nicholas Flagler.

Last Tuesday morning Michael Riley got kicked by a young horse and was seriously hurt, four ribs and breast-bone being broken. Two doctors were called, but could do little to relieve the patient. His friends sincerely regret the accident, and hope for his speedy recovery.

The Dover farmers expect to commence harvesting wheat by the last of this week and the first of next.
