

FROM DOVER.

D. Berlin has finished putting a force pump in the well at the house, which is connected with the barn by a line four feet below the surface at the well and graduated to two and one-half at the barn, a distance of 150 feet. The water is forced to the barn as easily as it is pumped for use at the house.

Miss Phileda Sandy of Valley City is visiting at B. E. Berlin's this week.

There was a frost scare in Dover the morning of the 20th inst., but it proved too light to do serious damage.

B. E. and D. Berlin drove to Courtenay on business last Monday.

The haying season is at hand, and already a large number of tons is in swath at this place.

The Wilson brothers, Henry and Howard, brought home a new hay stacker this week.

Joel Baum rigged his stacker ready for work on Wednesday.

C. M. Kribbs and S. Miller are having their dwellings plastered.

A. D.—
