

BABY HANSON DEAD.

Monday morning about 5 o'clock occurred the death of the 2-months old son of Mr. and Mrs. A. H. Hanson. The child was taken suddenly ill Sunday afternoon about 3 o'clock and in the evening Dr. Peake of Valley City arrived but could do nothing to save him. At the time of his death he was at the home of Mr. and Mrs. Wm. Anderson, who were caring for him while the quarantine was on the Hanson home. It was indeed a sad affair, as the father was not permitted to see him.

The funeral took place Tuesday morning, at 10 o'clock, Rev. Hewson making a short prayer at the house, after which the remains were followed by a large number of friends to the cemetery east of town. The floral tributes were many and most beautiful. The deepest sympathies of the whole community go out to the bereaved parents in their hours of affliction.
