### **Mrs. Lantz Dead.**

Word was received here early this week from Indiana state that Mrs. N. W. Lantz died March 4, Mr. and Mrs. Lantz were among the early settlers in this community and last fall left here to visit their old home in Indiana. It was not known here that Mrs. Lantz had been ailing and the news of her death was a great shock to the many friends. The sincerest sympathy is extended to the sorrowing husband in his affliction. Mr. Lantz is expected to return to Wimbledon about April 1st.
