

Death of O. H. West.

O. H. West, a former business man of Dazey, this county, died at Colorado Springs, Col., Sunday evening. Deceased has been a sufferer from the "white plague" for some time and his removal to the west did not prolong life. Hans Oppegard, a relative of the deceased, received word from Mrs. West Monday, and left that evening to take charge of the remains, but it is not known whether the funeral will be held there or at Dazey.

Mr. West was well known throughout Barnes county and the sorrowing relatives have many friends, who extend their sympathies.—Valley City Alliance.
