

## BARN BURNS:

### Peter Arndt Suffers a Severe Loss Through Fire.

The barn and blacksmith shop of Peter Arndt were destroyed by fire last Saturday afternoon. The fire was started by Mr. Arndt's four year old son who was playing with matches. The barn was a light structure partly covered with straw. There were no animals in the barn except two pigs which were burned to death. The loss was about \$150, no insurance. Mr. Arndt will commence a new barn next week. This is the second barn he has lost by fire.
