

## Dover Items.

---

Everybody is staying at home this week on account of the cold weather. The thermometer registered twenty-six degrees below zero on Wednesday morning and is still going down.

Dover was the scene of an exciting horse chase this week. A broncho owned by Robert Walks has been running the pasture the past six months utterly refusing to be cared for by that gentleman. Last Monday Mr. Walks summoned six of his neighbors to his assistance and after a few hours chase succeeded in corralling the animal near Mr. Baum's buildings.
