

Wm. McDonald has been appointed mail carrier for the new rural route No. 1, which service starts next week Wednesday. All patrons should have the regulation mail boxes erected by that time. We have every reason to believe that Mr. McDonald will be a good man for the position and as there is considerable work that the carrier will not be familiar with on the start, your postmaster requests that you overlook any little errors that are apt to occur, and when "Mac" gets "onto the ropes" everything will be O. K.
