

That our little people are of sturdy North Dakota stock, and that it takes something more than a fittle thing like thirty-five or forty below zero to keep them at home, is evidenced by the following long list of pupils reported by Miss Longfellow to have been neither absent nor tardy during last week:

John Dick,	Mary Dick,
Mollie Zeller,	Emma Schrieter,
Agnes Zeiler,	Elsie Schrieter,
Nettie Moe,	Walter "
Wardell Sandy,	Myrtle McNeil,
Mollie Finner,	Minnie Finner,
Georgia Feckler,	Ethel Jacobson.
